What makes Indulgence different from other beauty salons?

Indulgence is Mobile! You can enjoy your beauty treatments in the comfort of your own home. With my own portable bed and treatments, you can relax anywhere you want to. In your room, next to the swimming pool, under the trees... I come to you.

We also do weddings!!!

Hair, Make-up, Hands and feet, Massages...

No running around from salon to salon, no stress about hair appointments, pedicures or manicures, no worries about hair falling apart halfway home. Wherever you want to have your treatments, I will be there. Just relax while we make your day perfect.

So, no traffic, no parking, no driving with pedicured toenails, not having to wait for an appointment, no stress. It is convenient, easy and affordable. After treatments you will be relaxed at home, while I drive off, leaving only pampering behind...
